### **About The Plan**

#### **IELTS-Intensive Half Day Plan**

Good for IELTS official test results above 4.5

The teacher will use the feedback teaching modules to handle the class. This teaching mode is suitable for students who already have some IELTS test preparation experience.

In this plan, the IELTS formal examination environment will be taken as the benchmark, and the teacher will correct and give feedback on student's errors in the simulated test environment.

#### **IELTS- PRE Half Day Plan**

Good for IELTS official test results below 4.5

The teacher will use the theoretical teaching mode to handle the class. This teaching mode is suitable for students who have not systematically understood IELTS test.

The experienced IELTS foreign teachers will provide academic teaching for students and help them fully understand the specific process of IELTS test and the matters needing attention in the process of passing the test.
